

Glow In The Dark

SP COLOUR & CHEMICALS

E-mail : sales@spcolour.in | Web.: www.spcolour.in

★★★★★ *A Symbol of Quality*

We have launched a new product Phosphorescent Pigment, which gives HIGH LUMINOUS WITHOUT ELECTRICITY. As you know World is suffering from Global warming and Climate Change, by producing this product which creates Green Energy, we want to give small contribution to our nature.

All our products are subjected to strict quality control right from the procurement of raw material to the final stage of production. Further, we have experts on our side

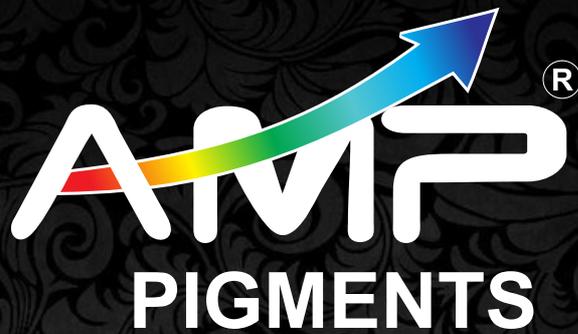

to constantly research and implement in achieving our goals. We are seen as proactive,

flexible and today stands at the forefront of the largest commitment to the pigment Industry. A dedicated proactive and goal focused team and above all desire to commit make AMP what it is stand today. We have successfully bridged the gap by

Ensuring on quality of our products in various kind of plastic like:- Plastic Ld, Hd, Pp, Polyester, Pvc, Engineering Plastic, ABS & Nylon etc and also widely used in industries like Paint, Ink, Cosmetics, Rubber, Textile, Paper, Art & craft etc.

- **Easy to use in plastic**
- **Easy to mix**
- **Good resistance to light and weather**
