Gold Metal Pigment

★★★★★ *A Symbol of Quality*

- Gold metal powder is intended for interior application only. Bright metallic finish and smooth metallic finish is obtained with coarser grade and finer grade of brass powder respectively.
- Keep the powder away from heat, dust, humidity, chemical fumes & sunlight.
- The article to be brassed must be clean, dry & free from grease and acidity.
- For use in lacquer, first mix the powder with the thinner and then add the lacquer.
- Mix the powder and the liquid just before application. Never store in paste form
- This pigment works well in various kind of plastic like:- Plastic Ld, Hd, Pp, Polyester, Pvc, Engineering Plastic, ABS & Nylon etc and also widely used in industries like Paint, Ink, Cosmetics, Rubber, Textile, Paper, Art & Craft etc.
- Easy to use in plastic
- Easy to mix
